I have read the above information carefully and have filled out this application honestly. Also, if an omission or untruth is discovered after an adoption takes place, I understand and accept that you have the right to annul the adoption and reclaim the dog. I give you permission to fully investigate the information provided as well as contact veterinarians and related officials. Furthermore, I understand and accept that the adoption decision depends upon many factors, including -- but not limited to--the compatibility of the family and home to the individual dog as well as other applications received on the dog. I understand and accept that it is your prerogative to decide which home is most appropriate for this animal, and I will not take issue with the decision. GRATEFUL PAWS DOG & CAT RESCUE
Volunteer Agreement

Thank you so much for volunteering with our organization. Since none of us receives a salary or compensation for the rescue work we do, it is important that you know how valuable you are to us.

As a volunteer, you are temporarily caring for or transporting animals under the care of Grateful Paws Dog & Cat Rescue, Inc.

Our animals are rescued. Some come to us as an owner-surrender, in which case we have a history to the personality. Others come to us as strays; a dog or cat who once had an owner, and for whatever reason, was never able to get back home, or an animal that was born in the streets and has little human companionship and training.

In each instance, Grateful Paws will ensure that the pet is thoroughly vetted, tested, brought current on shots and before it can be adopted, will be neutered and micro-chipped.

We do not get our vet services for free. We pay as everyone else does, so we charge an adoption fee to cover our costs for care, food, and medical expenses. The fee for dogs ranges from \$135 to \$300 depending upon the age and breed of the dog. The fee for cats or kittens ranges from \$55 - \$85.00.

TRANSPORTING: If you are asked to transport:

Dogs should always have a harness and be secured inside the car or inside a carrier or crate.

Cats or kittens should always be transported in a carrier.

By signing this agreement, you agree and understand that Grateful Paws Dog & Cat Rescue, its agents or officers will not be held liable or responsible for damage or injury to personal belongings or persons, whom the rescued animal may injure or damage.

I have read, received a copy of, and hereby agree to abide by the terms and conditions of this agreement.

GRATEFUL PAWS DOG & CAT RESCUE

Foster & Volunteer Contract

The below-signed foster/volunteer parent/s understand that s/he is temporarily fostering this pet (or any other pet given to their care) for Grateful Paws Dog & Cat Rescue, Inc. and the foster parent/s understand and agree to the below listed guidelines for fostering and transporting pets to/from events.

- 1- Foster dog/cat must be housed indoors.
- 2- Grateful Paws Rescue will provide quality food, heartworm/flea/tick preventative, and veterinary care at our expense, unless the foster home wishes to supply as a donation. The foster parent/s understands that they are to feed/water the pets daily, and apply heartworm/flea/tick preventative as directed by Grateful Paws Rescue.
- 3- A collar/harness and tag (w/ Grateful Paws Rescue contact information) will be provided at the time of foster care, and should remain on the pet continuously during the pet's entire stay in foster care. If harness/tag is lost or broken the foster parent/s should contact Grateful Paws Rescue immediately for a replacement.
- 4- The foster pet should be walked on a leash, to go potty. The only alternative to leash walking is short sessions in a well secured fenced area under supervision.
- 5- Non-emergency veterinary care will be arranged through Grateful Paws Rescue who will incur all costs. To set up a non-emergency appointment for your foster pet, please call Grateful Paws Rescue at 954-462-8840 or 954-579-3753 and we will schedule you an appointment with our Veterinarian. DR. ALICIA GRASSO OR HER APPOINTED BACK-UP. If an appointment date is made (agreed upon) it is the foster parent's responsibility to transport the dog to and from the Veterinarian's office at the prescribed time/date. If an EMERGENCY medical situation arises Grateful Paws Rescue should be contacted **immediately** prior to treatment. Unauthorized treatment may not be reimbursed by Grateful Paws Rescue.
- 6- Your foster pet will be listed on our website in our search for its new home to begin the search for a new home. Grateful Paws Rescue will list your foster pet on www.gratefulpaws.org. Grateful Paws Rescue also attends pet expos year round and at these events, we will promote your foster pet, as well as all other pets currently in foster care. If possible (each expo is different) you may be invited to come, w/ your foster pet, and speak with potential adoptive homes. The foster parent/s also understands that sometimes the search for an adoptive home may take months.
- 7- The foster parent/s also understands that any potential adopter **MUST** follow the Grateful Paws adoption guidelines listed below with assistance of a Grateful Paws representative.
 - A) Application
 - B) Meeting with pet
 - C) Home Visit & Vet check if applicable
 - D) Adoption Contract
 - E) Adoption Donation
- 8- If a fostered animal passes away while in foster care, a Grateful Paws representative must be notified immediately, and will be responsible for the pet.
- 9- Foster parents have first option to adopt, but must follow routine adoption procedures. Fostering does not guarantee adoption.
10. When transporting, the pet must be contained in the vehicle either in a crate or by securing the leash inside the vehicle.

11- The FOSTER FAMILY/VOLUNTEER agrees and understands that Grateful Paws Rescue will not be liable or responsible for damage or injury to personal belongings or persons, whom the PET may injure. _____ **initial.**

12- The FOSTER FAMILY understands that they may not give away, sell, trade, or donate this pet to any person/s, business, nor organization or institute. _____ **initial.** The FOSTER FAMILY understands that they must contact Grateful Paws Rescue if they can no longer keep the FOSTER pet/s and must house them until Grateful Paws Rescue can make arrangements to reclaim said pets.

13- If it is determined that these terms are not being met, the FOSTER FAMILY understands that a Grateful Paws Rescue representative may terminate this foster agreement, and reclaim said FOSTER PET at any time.

14- Foster family understands that Grateful Paws welcomes opinions and input, about medical care and/or disposition of pet, but Grateful Paws will have the final determination.

By signing this contract, I agree to allow Grateful Paws rescue to enter my property for the purpose of removing this pet from my custody if I do not comply with the above terms.

I have read, received a copy of, and hereby agree to abide by, all terms and conditions of this agreement.
